

## Visitors' Guide Book Specs for Advertisers

Guide Book page  
shown is at actual size.

### What to consider when submitting an ad?

- The size of the display graphic is 3.75" x 4.125" and is printed in color
- Below the display graphic the name, town, phone number, website, and distance from Marlboro is listed. Please include how you wish this information to be presented in your submission form.
- A border is added around the display graphic in the page design. Please do not include one in your graphic.
- Display graphics need to be submitted at 300 DPI or higher at the actual size. We accept PDF, JPEG, EPS, and PSD formats.

### Can Marlboro help me develop a display graphic for my ad?

Marlboro can help design your display graphic. Please provide your brand assets, ie. logo, photos, copy with your submission.
